

You can help!

Give to fill the gap and impact lives.

Come and visit us to see first-hand how your giving is bringing about change.

To express our gratitude and to enable you to see the effect of your giving, we will send you a regular newsletter directly from the student for whom your donation will help close the gap.

Moreover, if you are able to pay your travel expenses to visit us, we will host you on our campus for a few days for free, and you will be able to catch a first-hand glimpse of how the student is benefitting from the program.

Fill the gap.

**Partner with IBEI
to equip nationals
to spread the Gospel**

Only 1% of the Italian population...

...is composed of evangelical believers.

The small Italian church faces great challenges: internal struggles and divisions on one side, immigration, traditional religion and secularism on the other. Investing in the theological formation of future church leaders, teachers of the Word, church planters and missionaries is key to see God's kingdom progress.

We look to the Lord in faith for gifts to fill the gap between yearly tuition and real costs.

Since 1959, IBEI, Istituto Biblico Evangelico Italiano (Italian Evangelical Bible Institute) aims to equip nationals in order to strengthen the church and to reach out to our society.

Our full-time, on-campus Residential program allows students to obtain in three years a Bachelor of Theology degree (accredited by the European Council of Theological Education). We are the only conservative interdenominational school in Italy that offers such a degree with a full-time campus program.

We strive to offer quality theological education at affordable costs. In order to do so, we look to the Lord in faith as we depend on gifts to make up for the gap between the yearly tuition of €6.500/\$7,600 per student (including room & board) and the real cost of €9.500/\$11,100.

Would you consider donating in order to fill the gap? You may give the full amount of €3.000/\$3,500 to close the gap for one student, or you may give smaller amounts to reduce this gap. Any help will be greatly appreciated and will make an impact.

→ If God should lead you to help, we have some special ways to strengthen the partnership.
